Looking for a studio space?

Application Deadline 15.08.2024

OPEN HOUSE 03.08. & 04.08. 11:00 am - 1:00 pm

KöX e.V. is a non-profit association with two central goals. (1) We want to provide good and affordable studio space for professional artists as well as workplaces for people within the field of arts and culture. (2) We want to establish a community with a focus on inclusion and solidarity.

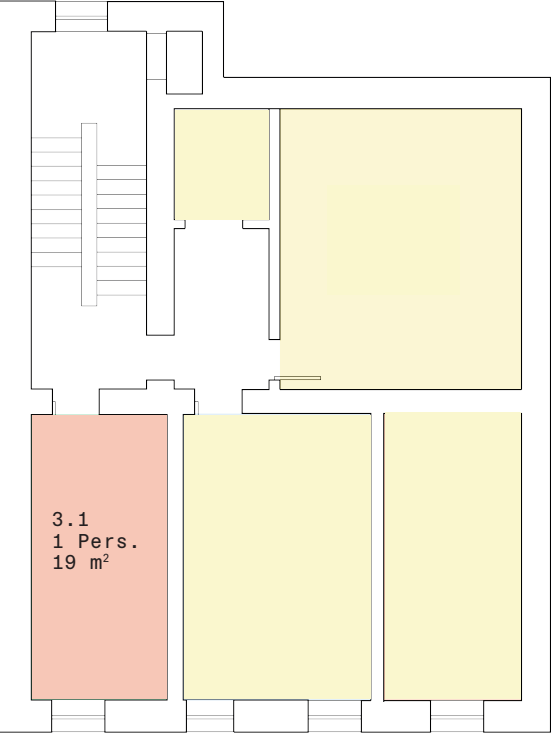

Atelierhaus KöX is a self-organized space. We do not make a profit from the rental income. The total rent is used to pay for utilities and maintenance of the building.

KöX is located in the center of Düsseldorf directly behind the central station. We offer studios in different sizes, some of which are better suited as solo studios and others as group studios. All studios are accessible by stairs only. The rooms are already in good condition but might need a little work done. The KöX team will assist you in the process.

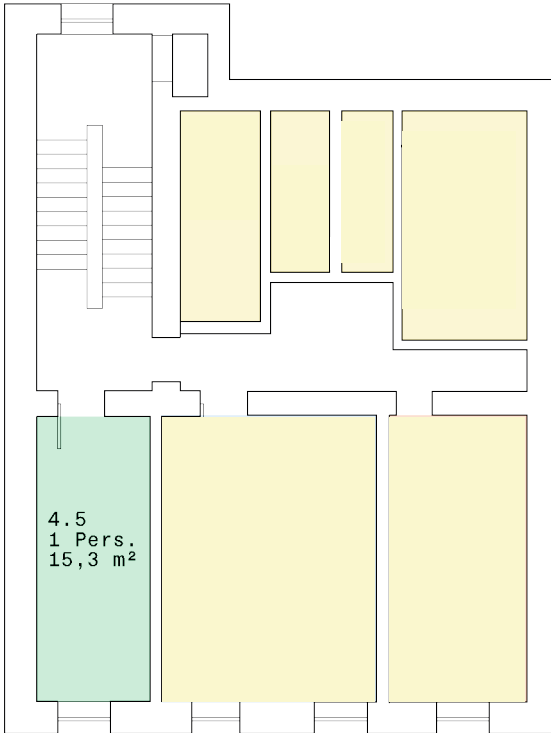

Starting from September 1st two of our solo studios will become available, for which you can apply until **15.08.2024**.

Currently, the price per square meter for the studios is 8.50€. The rent will continue to fall over the coming years once the renovation work has been completed and the costs have been repaid.
